**HONORING THE WESTERN WAYNE COUNTY CONSERVATION CLUB  
HON. THADDEUS G. McCOTTER  
OF MICHIGAN  
IN THE HOUSE OF REPRESENTATIVES  
Wednesday, July 8, 2008**

Madam Speaker, today I rise to honor and acknowledge the Western Wayne County Conservation Club, a group dedicated to the preservation and continuation of outdoor sporting for all generations, upon reaching their 70th anniversary of the club's establishment.

The Western Wayne County Conservation Club provides many services to the Michigan community. The Club has created more opportunities for outdoor sporting with their sponsorship of a launching trap and skeet fields, a 3-D walk-thru archery range, and a black powder group with a walk-thru range. Additionally, The Wayne County Conservation Club has fundraisers for the Pinkerton School for the Blind, the Rouge River Clean-up, hunter education classes, Girl Scout and Boy Scout camping activities, and for the University of Michigan Burn Center.

The Western Wayne County Conservation Club has been recognized for their dedication to outdoor sports. The Club has received prominent awards including the President's Award from the National Wildlife Federations, North American Hunter's Safety Award, and the National Rifle Association President's Award. To the Michigan community, the Wayne County Conservation Club is an organization dedicated to their goals, committed to serving their community and defending Americans' Second Amendment Rights.

Madam Speaker, the Western Wayne County Conservation Club is a group which has mastered outdoor sporting and has excelled in using their mission to help other community organizations. I ask my colleagues to join me in congratulating the Western Wayne County Conservation Club for reaching 70 years as an organization and honoring the group's devoted service to the community and our country.
